

Message to Huddersfield Town Fans coming to Elland Road

Leeds United looks forward to welcoming back Huddersfield Town fans on Saturday 7th March 2020.

In order to ensure a speedy and safe entry into the ground, we would respectfully ask fans not to bring any bags to the stadium. This fixture is a sell out for the away section, so please do not travel unless you have a ticket.

This year we have lost over 800 spaces in our car parks due to work being carried out by Leeds City Council, fans are advised to travel by train or arrive early to ensure you can park. Alternatively there is a large car park on Whitehall Road run by Citiparks, and then you can walk to the stadium. There is Also a pre-booking park and ride scheme running from junction 46 of the A1M.

Leeds United operates a full search regime including dogs, for the safety of spectators coming to the ground, and we would ask that you arrive early to ensure everyone is in before kickoff.

There will be a dedicated away fans bar (Howards) open from 1200, in the ground, selling food and drinks, including alcohol.

Leeds United has committed to the Chairmans' Charter and as such anyone found with a pyrotechnic in the ground or attempting to bring one into the ground will be arrested and their details returned to Huddersfield Town Football Club. This could result in a 3 year ban.

Huddersfield Town fans are encouraged to come and support their team and enjoy the game.
