Dear Applicant

Re: Huddersfield Town Foundation Chief Executive Officer

Thank you for your interest in the position of Huddersfield Town Foundation Chief Executive Officer.

The Huddersfield Town Foundation is the registered charity of Huddersfield Town AFC and its purpose is to serve our local and regional community in terms of offering opportunities to young people and adults to engage in sport and other activities, in which ordinarily they may not be able to participate.

This is an exciting time to join the Huddersfield Town Foundation as we continue to celebrate our recent successes and focus on capitalising on our growth. The role of Chief Executive Officer is critical to ensuring the Foundation continues to grow and develop, and to offer an even broader range of programmes to those most in need in our local and regional context.

Working for the Foundation is both challenging and rewarding; the successful candidate will need to be self-motivated and undeterred by the pressures of a demanding role, in which you will be held to account by the Board of Trustees. In return for your commitment and high-level performance, we will offer a competitive benefits and rewards package, as it is important to us that we value our employees and reward individual contribution.

I wish you every success in your application for this role.

Yours sincerely
