

COVID-19 SPECTATOR CODE OF CONDUCT

Huddersfield Town Football Club looks forward to welcoming you back to the John Smiths Stadium. This code has been compiled based on guidance from the Government, EFL and Sports Ground Safety Authority, and it is subject to change depending on current advice.

The Club and KSDL have put in place a range of processes to help create an enjoyable environment for all supporters at our matches, however it is vitally important that all attendees understand the requirements of this code, to play their part in creating a safe experience. Supporters, whether in general admission areas or in hospitality are kindly reminded to adhere to this Code of Conduct at all times, and follow all safety requirements, to assist Club staff and stewards, and to help protect you and your fellow fans.

- Supporters are encouraged to get vaccinated where eligible.
- Where supporters have been vaccinated, please download the NHS app (please note this is different to the NHS Covid-19 app) in order that you can prove your status if required at any future point.
- There is currently no need to bring proof of vaccination, or proof of a negative Covid test, however this is subject to change in the future depending on guidelines.
- It is recommended that if you are not 'double-jabbed', you voluntarily take a lateral flow test before attending a fixture.
- You must not attend if you, or anyone attending with you, is suffering from COVID-19 symptoms, feels unwell, or is required to self-isolate.
- The Club cannot completely eliminate the risk of COVID-19 infection. Before purchasing a ticket, or travelling to a match, supporters must decide whether it is appropriate they attend, taking into consideration and associated risks based on their personal circumstances.
- In the event you develop COVID-19 symptoms whilst at the Stadium, please make your way home immediately and self-isolate even if you have minor symptoms such as cough, headache or mild fever, until you recover. Call your health care provider or hotline for advice.
- Plan your journey in advance and arrive at the stadium in plenty of time to go through all necessary entry procedures, ensuring you know where your stadium entry point is.
- It is recommended that supporters bring a face cover to wear in all indoor areas, unless otherwise exempt. Government guidelines state that members of the public are expected to wear face coverings in any crowded and enclosed spaces, where in close contact with others.
- Please note that the catering kiosks at the John Smiths Stadium are now card payments only.

COVID-19 SPECTATOR CODE OF CONDUCT

- Upon entering the Stadium please pay close attention to signage, floor markings and instructions issued by stewards or via the club's PA system, this will help get you where you need to be in the most efficient way.
- When using the Stadium amenities, such as toilets and food and drink outlets, please avoid queues and follow the instructions of Club staff and stewards.
- Please be respectful to supporters and staff in your vicinity, avoid close contact with those not known to you, and take a responsible approach to others, whose circumstances may differ from your own.
- Always maintain good hand hygiene around the stadium - use any sanitiser dispensers provided and avoid touching your face or handles and railings whenever possible.
- Please avoid unnecessary movement away from your seat/standing location. Where possible wait until gangways are clear, please keep left on all stairways and always follow signage and/or stewards' instructions.
- Please be patient when moving around and leaving the Stadium, be considerate towards stewards, and listen to their advice, in order to help ensure the Stadium event is safely and efficiently managed.
- Please remain socially distant from all players, who are currently not able to sign autographs or have photos with supporters.
- All other terms and conditions and Ground Regulations continue to apply and must be complied with.

Thank you for your support and full co-operation. Please follow these guidelines and help us all enjoy the match safely.
